Have You Heard?

by Dorothy McCain Elsenius

For the first time in Albany Rotary history, a program was "held over" for a second week—due to popular demand.

Dr. John Lysmer, Associate Professor of Civil Engineering at UC Berkeley ,told such a vivid and seldom-heard story of the background and events leading up to the acquisition of the Canal Zone by the U.S. during Teddy Roosevelts presidency, at the Rotarys Sept. 21 meeting, that he was asked to return on the 28th for an encore.

Combining pictures with vivid descriptions and human interest stories—the heroes, con-artists and villains sprang to life and re-enacted their historic roles, causing many Rotarians to say: "History was never like this when I attended school!"

Somewhere along the line, we were misinformed a little about our "girl-on-the-go" Antoinette Tallone. Seems she did win a trip to Acapulco, but she wasn't the one who pulled the winning ticket. She was accompanied on the trip by her niece, Ann Marie Tallone, daughter of Dr. Victor Tallone, and both had a wonderful time.

Ann Marie, who graduated from Albany High this year, may be following in her distinguished father's footsteps—she is entering the University of California at Berkeley as a pre-med student.

Among local winners of the last four week's Talent Contest being held at Shakey's in Albany, were: Sylvia Pippen, Lars Hansen and John Timothy of Albany, and James Bradley, Berkeley.

The contest, which is held each Thursday night, will continue through the month of October. A final show, featuring all the winners, is planned for sometime in November.

Harold Van Coops, Albany Health Officer, is taking good care of himself in preparation for the "big day" Saturday, Oct. 16. That's the day Harold will be walking all day, competing in the Alameda County March of Dimes Walkathon, and dancing all night at the Albany Municipal Employees dinner-dance. Walkathon or not, Margarite Van Coops will expect to dance with her husband at this gala affair.

People have been using the phrase "It's a small world" for a long, long time . . . and will probably continue to do so as long as coincidences such as the following keep occurring:

Homecoming Week Parade, Dance

Albany High School is celebrating "Homecoming Week" with a variety of activities, including a noon rally, a football game, a parade, and a dance, all to take place Friday, Oct. 8.

The parade, which will begin at approximately 2:15 p.m., immediately preceding the 3:30 game with John Swett High School, promises to be better than ever this year.

Music will be provided by the Albany High Marching Band and the John Swett High School Band. Other participants will include cheer leaders, pom-pon girls and letter girls from both schools; various class floats; representatives of the U.S. Marine Corps; city dignataries including Mayor Hubert Call, Police Chief Ralph Jensen and Fire Chief Gerald Browne; the Maid of Albany and "Little Miss Flame."

Also appearing in the parade will be the Homecoming Queen candidates Mary Jo Turner, Mary Gonsalves, Kathy McKenna, Jody Sumimoto, Nancy Pinkerton and Dyanne Faria; and Homecoming King candidates Shawn Ridley, Richard Flores, Len Patterson, Tom Homan, Tim Kentfield and Paul Rose.

The line of march will be as follows: participants will assemble on Key Route Blvd. in front of the school and proceed east on Portland to Santa Fe, south on Santa Fe to Solano, west on Solano to Masonic, and north on Masonic to Feeney Field (Cougar Field).

The theme for the dance, which will be held from 8 to 11 p.m. in the Veterans' Memorial Building, Portland and Ramona, will be "Strawberry Festival."

Music for dancing will be provided by the Morning Paper.

DeMolay Award

Albany High School student, Robert E. Nichols, son of Mr. and Mrs. R. E. Nichols, was presented with the Blue Honor Key at the regular meeting of the University Chapter Order of DeMolay, last week.

The Blue Honor Key is bestowed on a member of the Order of DeMolay for exceptional service in building the Order by enlisting 10 members. It is the first award of its type ever presented to a member of the University Chapter in its 50 year history.

Bob, who is a Past Master Councilor of the University Chapter, was also awarded the Meritorius Service Award for outstanding leadership during his term as Master Councilor. He qualified as a Representative DeMolay in 1970, and is now serving as a member of the East Bay Association Staff.

The 10 members who qualified Bob for this award are: Steve Marra, Fritz Loura, Mike Tom, Dennis Gilwreath, Mike Van Eckhardt, Robin Wales, Mike Overman, Greg Hazarabedian, Don Miller and Jeff Carter.

Presenting the award was Rex Volheim of Albany, Past Chapter Advisor, holder of the Advisors Honor Key, the Cross of Honor and the Medal of Appreciation.

Celebration Underway

Forty-four sponsoring business people are distributing tickets for the drawing of over $1,000 in cash and merchandise on October 9th and 16th.

The first drawing on Saturday, Oct. 9, will be held at Shakey's Pizza between 3:30 and 4 p.m. Musical entertainment prior to the drawing will be furnished by the J & A School of Music, one of the sponsors.

While it is not necessary to be present to win, a good attendance is expected at the drawings, which will be supervised by the Albany Chamber of Commerce committee members headed by Chairman Elmer Coble.

The response to this city-wide promotion by Albany business people indicates a possible third drawing of additional prizes on Oct. 23rd. All drawings will be publicized in advance in the Albany Times. See today's display ad for further information.

Members of the sponsoring firms and their immediate families are not eligible to win prizes.

Cornell Invitation

Cornell School PTA members are joining the school staff in extending an invitation to parents to attend "Back to School Nights" this week.

Parents of children in kindergarten through third grade are invited to attend on Wednesday, Oct. 6, while parents with children in grades fourth through seventh will visit the school on Thursday.

Parents will gather in the school cafeteria at 7:15 p.m., to be introduced to the staff. Following introductions they will be directed to their children's classrooms.

Refreshments will be served in the cafeteria following the classroom visitations.

Note of Thanks

It is impossible for me to express in mere words my appreciation to everyone who honored me with their presence at my gala retirement dinner on Sept. 24.

I owe a deep debt of gratitude to the Albany Preschool mothers and the Parks and Recreation Department for the many hours of hard work that went into sponsoring such a successful event.

My heartfelt thanks for the generous gifts, the Resolution from the Albany City Council, and other letters of commendation.

May God bless every one of you.

Council Busy With Resolutions, Recommendations, Work Sessions

Marlene Hodges has been named temporary acting city clerk for the City of Albany, replacing retired acting city clerk Sarah Brockway. This action was taken by the City Council at Monday night's meeting, on the motion of Councilman Joe Carlevaro.

Other business acted upon during the meeting included: the granting of an exempt business license to the International Society for Krishna Consciousness, Inc., to conduct fund-raising activities within the city. The license was given on condition that: 1) activities are to take place only between the hours of 10 a.m. and sundown; 2) any noise-making devices be limited; and 3) any aggressive activity, such as interfering with people walking on the sidewalk or entering stores, would be banned.

A claim by Fay Lumsden, 1109 Dartmouth, for personal injuries received in a fall on Solano Avenue, was denied and referred to the City Attorney and the city's insurance carrier.

An emergency "freeze" ordinance concerning use permits in C2, CE3 and CE4 districts in the commercial area of San Pablo Ave. was approved, to maintain the status quo of this area during the current study of a revision of permitted and allowable uses by the Planning and Zoning Commission.

Resolution 71-100, appointing James Simmons as Probationary Sergeant in the Police Dept., replacing retired Sgt. Emil Zugnoni, was adopted, and Resolution 71-101, appointing Duncan A. Gillis, Albany resident and former PG&E employee, as Probationary Patrolman, were introduced by Councilman Lewis Howell, who moved for their adoption. Mayor Call, on the question, noted that this action is merely replacing police officers and not making additions to the police force.

Resolution 71-102, concurring with the City of Santa Rosa, in recommending that garbage fees or some reasonable portion thereof be allowed as an income tax deduction; and Resolution 71-103, designating various parking zones on Solano and intersecting side streets to conform with the Solano Beautification Plan Map, were also introduced and adopted.

During the discussion of Resolution 71-103, rules were suspended and Don Chelemedos, of Chelemedos Market, 1251 Solano Ave., was allowed to speak regarding parking in the area of his store.

The grocer expressed the opinion that most of his customers were "quick-stop" ones, who preferred to park diagonally instead of having to take time to "jockey back and forth" in a parallel space. He also noted that most of his business was conducted between 4:15 and 6 p.m., at a time when residents of a nearby apartment house were coming home and using the parking spaces in his block for overnight parking.

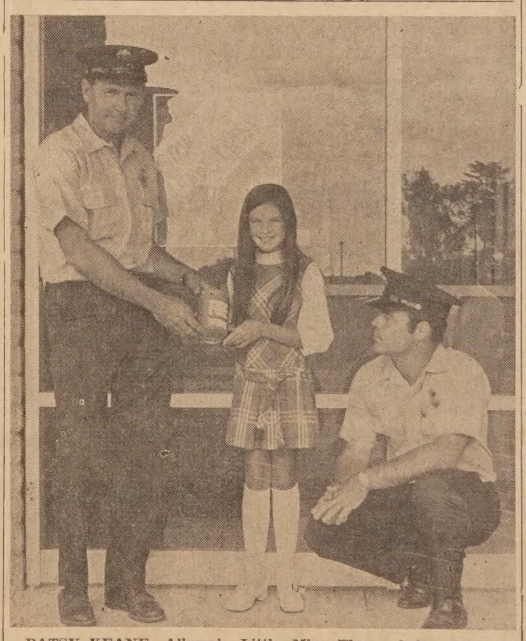

At the suggestion of the Council, James Turner will explore the possibility of a "change-of-angle" diagonal parking in the store area, and the placing of several green 20-minute stalls for customer parking. Turner noted that since his last report 21 additional parking spaces had been obtained on Solano Avenue.

Turner was also requested to set up a work session with Police Chief Ralph Jensen and Fire Chief Gerald Browne and Council members, to discuss the Chiefs' recommendation for a charter amendment to allow "lateral entry" of patrolmen and hosemen in to their Departments.

The reviewing of a development agreement for the Albany waterfront was also left to a future work session with the City Attorney, Turner and the Council.

A letter from Mr. and Mrs. Donald M. Nichols, expressing their opposition to Solano Avenue, was filed as informative, and a request from Mr. and Mrs. S. M.

PATSY KEANE, Albany's Little Miss Flame, helps Albany Firemen Gerald Vittitow (left) and Tom Watkins, publicize the "Fire Pail Program," in recognition of Fire Prevention Week. Free labels and instructions for making this handy kitchen fire extinguisher are available at the Albany Fire Station.

★ ★ ★

Albany Fire Pail Program

Today a very necessary safety resource no kitchen should be without is a coffee can filled with baking soda, and stationed close to the kitchen range. So armed, the housewife, at a moment's notice can dump the soda liberally on the base of any kitchen fire, and extinguish it almost immediately. When heated, the soda creates carbon dioxide gas, which quickly smothers the fire.

In recognition of Fire Prevention Week, Oct. 3-10, the Albany Fire Department is initiating a "Fire Pail" program, to encourage residents to make their own handy fire extinguisher.

Available at the Fire Station are labels to be attached to two-pound coffee cans. Children or adults can easily construct these handy extinguishers to be kept within easy reach of the stove.

The labels are printed with a space for the telephone numbers of the police and fire departments, ambulance service and the family doctor. Pertinent emergency action instructions are also included.

These labels are free of charge and may be picked up at the Albany Fire Department, Marin and Buchanan.

Portables To Replace Albany Elementary Schools In 1972

The Albany School Board, faced with a choice of rehabilitating Marin and Cornell Schools, or building new facilities, will make the decision following a study-report to be made by the structural engineering firm of Sexton, Fitzgerald and Kaplan, on the economic feasibility of rehabilitation. The report should be in the hands of board members within two weeks.

In the meantime, the Board of Education has instructed School Superintendent Kenneth Forry to proceed with plans to secure portable classrooms for students now attending the condemned schools.

Twenty-six portables will be either leased or purchased by the school district, at a basic cost of $100,000 per year, plus service costs. Five will be used at Marin, nine at Cornell, and the remaining 12 at an as yet undecided site — possibly Memorial Park or Feeney Field (formerly Cougar Field).

How soon Albany school children will be able to occupy these units will depend upon how soon the District can acquire them. If the County Counsel will allow the District to proceed immediately to purchase or lease the portables, they could be ready for occupancy by the first of the year, immediately following the students' Christmas vacation.

However, if it becomes necessary to advertise for bids, occupation could be delayed well past January, 1972.

The County Counsel's office is checking to see if the District can make an expenditure for the units without seeking bids, under emergency provisions dealing with the health, welfare and safety of the students.

Funds, amounting to $162,000, from the District's net reserve, plus an anticipated $35,000 from a 10-cent earthquake tax, would pay for the portables for the first semester, Forry stated.

For the balance of the time the units would be needed, funds would have to come from a bond issue to be approved by the taxpayers, and a possible state loan, which could supply up to 45 percent of the cost.

Vacations Ltd. Refunds Ordered

Albany residents interested in getting refunds from Vacations, Ltd., are urged to take their unused contest certificates to the vacation plan president, James Lynch, at the firm's Walnut Creek office, and request the return of the money.

Under the order of Contra Costa County Superior Court Judge Robert Cooney, Lynch has been instructed to refund the money of all those who request it, and people who feel they have additional claims should go through Small Claims Court, by filing an action in the Walnut Creek Municipal Court, according to CCC Deputy District Attorney Curt Hoffman.

If Lynch is asked to pay a claim and refuses, Hoffman asserted, he will be in contempt of Judge Cooney's ruling.

Another part of the ruling, Hoffman continued, requires Vacations, Ltd. to point out the additional costs of the vacation on all their posters in "equalized letters." The original signs stated "winners" received a two-day, two-night vacation at either Reno, Tahoe or Las Vegas, for $9.95.

Hoffman contended the firm wasn't telling all — especially about the additional $3.50 per person for the vacation, and that in order to receive some of the bonus items they would have to listen to a land sales pitch.

The firm has been given a week to 10 days to make changes in the signs, which are scattered throughout Alameda and Contra Costa counties.

In the meantime, Julius H. Cohen, attorney for Vacations Ltd., has denied that winners were required to submit to land sales pitches in order to receive "bonuses," although Deputy District Attorney Curt Hoffman has submitted statements from contest winners stating that submitting to such sales pitches was mandatory in order to receive hotel accomodations.

Cohen has also charged Hoffman with giving the press "erroneous information" concerning the court action of the case. He also slammed the deputy district attorney for not mentioning that refunds amounting to about $9,000 have been made to contest winners since January, when the business began operation.

Deadline Extended

Entry deadline for the early Oct. 25 Veterans' Day Parade and Observance in Albany has been extended one week to Friday, Oct. 8, according to Parade Chairman Jerry Williams of Albany.

"Entries so far have been disappointingly small," Williams said, "and we must attribute it to the fact that the parade is 17 days earlier than usual. We feel we must extend the deadline in order to give high schools and service clubs, which had a summer vacation, enough time to enter. We have many beautiful trophies awaiting parade winners."

Hal Eilers of 3781 Leighton St., Oakland (655-0898), is in charge of parade entries and may be contacted directly.

Hayward leads the list of cities with the most entries. It will be represented by Sunset High School Band, Hayward Twirlettes, Castillion Guard, Rhonda Marin, Mt. Eden Marshalls and a civic float by the Hayward Chamber of Commerce.

Other entries include Albany American Legion Post 292 float and veterans' color guard, Newark High School marching band, San Leandro High School band and color guard, 14th District Veterans of Foreign Wars marching band, 14th VFW District color guard, 10th District American Legion drill team and Tiny Tots, 14th District VFW Ladies Color Guard and marching unit, 159th Army (California National Guard) military band, Sixth U.S. Army military color guard and military band, Senior Solo Majorette Place with Coast Guard, U.S. Naval Schools Command military color guard and drill team.

Thirty-one prizes are awaiting winners in the parade, which has been designated as one of four areas in the United States by the President as "Veterans' Day Regional Ceremonial Sites."

The parade in Albany will coincide with the opening of a newly-beautified Solano Avenue. Distinguished guests will begin their motorcade at 10 a.m., going down Solano to San Pablo Avenue, where the reviewing stand will be set up between Solano and Washington.

All social activities connected with the parade will be at the Veterans' Memorial Building, 1325 Portland Ave., Albany.

City Activity

Albany Building official, James Turner, has reported that a permit has been issued to the Speedspace Corporation for the erection of a pre-fabricated pre-school building at 1140 Ninth Street, in the University Village area, for the Albany Unified School District, at an estimated cost of $30,000.

Turner also reported the issuance of 42 other permits for residential additions, commercial and residential alterations, and the demolition of three single family residences in the 300 block of Kains Ave.

The City has also collected a total of $1,547.35 in inspection fees and $1,956.42 for use permits, variances, and other miscellaneous items, and received a refund for damage done to the Police Call Box on the northeast corner of San Pablo and Solano.

Congratulations to Bill Gilreath on his promotion to vice-president of Bank of America's Berkeley Main Office.

Albany residents should have no trouble cleaning out their closets, attics and basements this month . . . three Albany organizations will be having White Elephant booths at the El Cerrito Plaza on Saturday, Oct. 16—the Albany March of Dimes Committee, members of Alberito (Albany-Berkeley-El Cerrito Professional Women) and the Albany Parlor 260 of the Native Daughters.

* * *

And speaking of the March of Dimes . . . walkers and sponsors are still needed for the March of Dimes Walkathon, which will also take place on Saturday, Oct. 16. Anyone wishing to volunteer their services in either category should call Harold Van Coops, 526-6116, or Police Officer Mel Boyd, at 525-7300. Let's give Albany a good representation in this event.

The Mail Bag

Editor, Albany Times:
Re: Solano Avenue Beautification.

It seems to me that those who are fighting the changes on Solano Avenue are fighting the future, which is **not** more and bigger cars and more speed and blacker smog, but, rather fewer and smaller cars and slowing up to live longer, and walking a bit for the sake of our hearts and lungs and souls.

Parking is a problem. It's been a problem for a long time, and likely to last awhile, tho we have high hopes for the Chamber of Commerce Committee that is working to help solve it. In the meantime, slowing up and walking more will also help.

It was the intent of the business men on Solano Avenue to slow up traffic so we could see what's there and stop and show and enjoy the walking and shopping there. It was a good idea and still is, and, hopefully, will increase sales and profits.

A concrete box is ugly. The avenue in process of construction is dangerous. A tree in a planter is a creation of God and man and a thing of beauty and a joy to the soul. And almost nobody but a drunk can hit a concrete planter with a tree in it.

Sincerely,
ALTHEA IPPOLITO
525 Pomona Ave., Albany

(The following is a copy of a letter that has been sent home to all the parents of elementary school children in Albany:)
Dear Parents:

The reports from the State of California Office of Architecture and Construction (O.A.C.) presented to the Board of Education on September 14 and 28, stated that the following buildings are "unsafe for school use:"

1. The west wing of Cornell School.
2. The Cornell Auditorium and Offices:
3. All of Marin School except the two bungalows.

This inspection by the above State agency was authorized by the Board last May after definite evidence had been presented which indicated serious and obvious structural defects in these buildings. The O.A.C., under the direction of its principal structural engineer, made inspections and laboratory tests this summer and submitted a detailed report with the above stated conclusions.

Immediately the Board of Education at meetings on September 21 and 28, attended by several hundred interested and participating citizens reviewed the report, considered a number of alternate plans for the safety of children, and weighed the educational and financial implications involved in the temporary removal of classes from unsafe buildings. Since the O.A.C. report also stated that the rehabilitation of these buildings "does not appear economically feasible," the Board authorized the employment of an independent engineering firm to submit their appraisal of the economical feasibility of saving these buildings by rehabilitation.

At the September 28 meeting the Board directed the Superintendent to proceed with tentative plans for the leasing of temporary portable classrooms which meet present-day earthquake requirements. If classes are moved to portables, or other safe locations, the earliest possible date would be after Christmas vacation, Jan. 3, 1972. An alternate plan to place all elementary classes on double sessions, using only remaining safe buildings, was considered unacceptable by the Board because of the negative and disruptive impact of double sessions upon children and the instructional program.

While the probable location and number of portables on school playgrounds and other possible sites has not been determined, every effort will be made to continue the attendance of children at their present schools. However, in this emergency some attendance changes, especially for Marin pupils, may have to be made.

May we emphasize that as of this date there will be no immediate moving of classes because no final detailed plan has been approved. Every possible safe relocation for classes will be explored in order to reduce the number of portables needed thereby reducing the attendant heavy costs.

We shall continue to keep you informed as specific plans are developed which will affect your child. Your interest, understanding, and cooperation will be needed and appreciated. This letter may not answer all your questions. Feel free to call the principal of your child's school, or the Administration Offices for further information.

P.S. The next regular meeting of the Board of Education will be held on Tuesday, Oct. 12, at the Little Theater, Albany High

Council . . .

(Continued from Page 1)

Washington, for stronger enforcement of "dog laws" was referred to Animal Control Officer John Sawer.

A recommendation from School Superintendent Kenneth Forry, that two physical education instructors, employed by the school, be incorporated into the city's after-school recreation program was accepted by the Council.

William McClain, American Legion Parade committeeman, requested the week of October 25 be proclaimed "Veterans' Week," and also invited the City Councilmen and other city dignataries to participate to make a good showing for Albany.

He also noted that very few Alameda County Mayors had indicated they would participate, and asked Mayor Call to poll the mayors at this week's Mayors' Conference.

Councilman Richard Clark, Albany's BART representative, requested a resolution from the Council supporting a proposed 900 foot Oakland-Alameda Coliseum walkway, from the BART station to the arena, which is now under study.

At the suggestion of Councilman Lewis Howell, the City Council has instructed the City Administrative Officer, James B. Turner, to contact the Board of Education concerning the possibility of placing the planned portable school units which will house Marin and Cornell students on University Village property.

The exact location suggested by Howell would be the parcel known as the "Victory Garden," fronting on Buchanan between San Pablo Avenue and Jackson Street.

Howell noted that this area would be much better than the Memorial Park area now under consideration, and that there is a possibility of placing all necessary units at this location, thus leaving the school properties entirely clear, making it easier to remodel or reconstruct, whichever is decided.

The Albany Park and Recreation Department will provide a Physical Fitness Program for adults at the Albany High School gym on Wednesday and Thursday evenings, beginning Oct. 6 and 7. The program, under the direction of Don Dupin and Virginia Behm, will feature volleyball, basketball, self-defense instruction and general fitness exercises for women on Wednesdays from 7:30 to 10 p.m. During the same hours on Thursday, men will participate in liniment league basketball and general fitness exercises. First Youth Corps Report

Al Radford, of Albany High School's social studies department, spent his summer vacation heading Albany's first Neighborhood Youth Corps Program.

Although he spent nine hours a day on it, from June 14 through August 27, the teacher found it "personally rewarding," and is sure the students active in the program also got a lot out of it.

In a formal report to the Albany Board of Education, Radford noted that at its peak the program employed 36 students at one time. Students were paid $1.60 per hour and were expected to work a maximum of 26 hours a week.

Employing agencies participating in the program included the Albany Chamber of Commerce, Lawrence Radiation Lab in Berkeley, Albany Public Works Dept., Berkeley Community Legal Services, Albany Parks and Recreation Dept. and the First Unitarian Church of Berkeley.

Marin PTA Meet

"How Parents Can Help Enrich Their Child's Education," through volunteering in the school, is the theme of the first Marin PTA meeting to be held Thursday, Oct. 7, at 7:30 p.m., in the school cafeteria.

Explaining how volunteers are used in the school's Volunteer Program will be a panel of teachers and parents currently participating in the program. Following the panel discussion and an explanation of the many facets of the program, William Woolworth, director of curriculum, will answer questions concerning the "earthquake report" on Marin and Cornell Schools, and discuss the District's plans for relocating the students.

Panel members will include: Marin principal, Mrs. Elizabeth Lott, moderator; Marin School teachers, Mrs. Beth Heckman, Mrs. Trudy Vilaska, and Mrs. Leslie Rogers; Mrs. Anne Bell, coordinator of the Marin Volunteer Program; Mrs. Nancy Taussig, Marin School PTA, and Mrs. Lee Ann Simmons of the Block Parent Program.

After-School Playground Programs

On Tuesdays and Thursdays, an array of sports and games dominate the park's agenda: kickball, wiffleball, volleyball, some jogging, ping pong, checkers and chess, table golf and a dozen more. Culminating the week's events, Friday is a special day. There are competition games with award ribbons and trophies for the playoffs. There are popcorn parties every other Friday, cupcakes for the Birthday Club, holiday parties, puppet shows, scavenger hunts, paint-in contests and buildins. It is hoped that the young people in the neighborhood of Terrace Park stop by and visit. For further references, call 526-6130 from 3:00 to 5:00 during the week.

Essay Contest

Fifth graders at Cornell and Marin Schools have entered a Fire Prevention Essay Contest sponsored by the Albany Traffic and Safety Commission in cooperation with the Albany School and Albany Fire Department, in honor of Fire Prevention Week, Oct. 3 through 9.

The subject of the essays is "Destructive Fire—Our National Disgrace," and pertinent information is being supplied to the contestants by the Fire Department.

Essays will be judged on preparation, originality and imagination and judges will include members of the Fire Department, the PTA and the Traffic and Safety Commission.

Each school will choose 15 essays for consideration by the judges, and five awards will be presented for each school.

A plaque will be given to the first place winner and certificates will be awarded to the four next best contestants.

Results of the contest will be announced following the October 21 meeting of the Traffic and Safety Commission.

VACCINATION OUT

"Routine smallpox vaccination is no longer recommended for everyone," stated Robert T. McMahon, M.D., Albany Health Officer. Smallpox is seldom seen in the world now and vaccination is recommended only for persons with a chance of exposure such as hospital employees, workers at ports of entry and persons travelling to countries where smallpox still is known to occur.

Gracious living
Starts with a new kitchen!

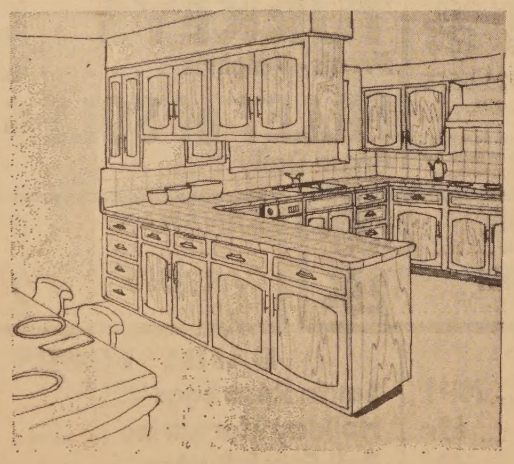

FIGURE IT THIS WAY:

Invest your money in your own home and enjoy it while it earns you money. Mr. and Mrs. Jones were undecided. Would they invest in a new kitchen remodel or a new car. We outlined the following comparison. Guess what they did?

New car price	$4,850	New kitchen remodel	$4,850
Value after 5 yrs.	$800	Value after 5 yrs. (at 5% appreciation per yr.)	$7,811
Value after 10 yrs.	$200	Value after 10 yrs. (at 5% appreciation per yr.)	$12,580
Value loss on auto after 5 yrs.	($4,050)	Value gain on kitchen remodel after 5 years	$2,961
Value loss on auto after 10 yrs.	($4,650)	Value gain on kitchen remodel after 10 years	$7,730

They bought a kitchen remodel, of course!

Each month we'll feature a different flower. For October, it's Sweet Peas. Next month, we'll have California Poppy seeds. In December, Giant Imperial Mixed Stock. After that, well, we'll keep you posted.

Your free seed packet is available at any one of our nine Bay Area branches. Or at our STATESMAN'S CLUB, 239 Grant Ave., San Francisco.

Just come in and ask. You don't even have to have an account with us. But if you don't . . . let us plant another seed with you . . . open a savings account. Watch it grow, too. Our regular passbook account makes any amount fertile . . . at the rate of 5% interest from date of deposit to date of withdrawal. We also offer the 5¼, 5¾ and 6% interest accounts, too, depending on the amount you wish to save and length of deposit. All in all, it makes for a good, green garden.
